The publishers earnestly request the bringing to their attention of any inaccuracy so that it may be corrected in the next edition of the directory.

Hill Directory Co., Inc., Publishers

INTRODUCTION AND GENERAL INDEX

HILL DIRECTORY CO., Inc., publishers of Southeastern Directories (publishers of the Rocky Mount City Directory since 1908), present to subscribers and the general public, this, the 1958 edition of the Rocky Mount City Directory, which also includes Englewood.

Confidence in the growth of Rocky Mount's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Rocky Mount to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Rocky Mount Directory will fulfill its mission as a source of authentic information pertaining to the community.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE YELLOW PAGES constitute the first major department of the Directory. This embraces a complete list of the names and addresses of the business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. Preceding this catalog, likewise grouped under appropriate headings, are the advertisements and business cards of firms and individuals desiring to present a more complete list of their products or services than is possible in the catalog itself. The Yellow Pages represent reference advertising at its best, and merit the attention of all buyers and sellers seeking sources of supply or markets for goods. In a progressive community like Rocky Mount, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Rocky Mount and Englewood, and the name, official personnel, nature and address of each firm and corporation.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, printed on green paper, is the third major department. In this section the numbered streets are arranged in numerical order followed by named streets arranged in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of tenant-owned homes and the

listing of telephone numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY, on blue paper, is the fourth major department.

Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Rocky Mount and vicinity.

The Rocky Mount Out-of-Town City Directory Library

Through the courtesy of the publishers of the Rocky Mount City Directory, a Directory Library is maintained in the offices of the Rocky Mount Chamber of Commerce, for free reference by the general public. This is one of more than 700 Directory Libraries installed in the chief cities of the U. S. and Canada by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

MEMBER FDIC

This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use

as a business and social reference book and director of buyer and seller.

5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.

6. To solicit subscriptions and advertising solely upon the merits of the publications.

7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.

8. To co-operate with approved organization and individuals engaged in creative advertising work.

9. To avoid unfair competition.

10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

\$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

Association of North American Directory Publishers

60 East 56th Street

manufactures products: Cotton yarns, pile fabrics, broad silk, rayon fabrics, cordage products, venetian blinds, lumber products, fertilizer, cotton-seed products, brick, veneers, ice, ice cream, dairy products, bottled drinks, stock feed, flour and meal, bakery products, processed tobacco, tents and awnings, steel tanks, concrete blocks, furniture, mattresses and truck bodies.

Trade Area—Retail area has radius of 60 miles, and population of 200,000; wholesale area, radius of 120 miles (mostly east of city).

Newspapers—1 daily and Sunday.

Radio Stations—WEED, WEED-FM, WCEC and WFMA.

Hotels—2, with total of 270 rooms.

Railroads—Atlantic Coast Line (Emerson Shops located here).

Motels—10, with total of 358 rooms.

Air Lines—Capital.

Highways—U. S. 64 and 301; State 43, 48 and 95.

Bus Lines—2: Carolina Trailways Co. and Seashore Transportation Co.

Airports—1, municipal.

Amusements—Year-around City recreation program. 3 moving-picture theatres, with total seating capacity of 2,500 persons. Also 4 drive-in theatres. 1 golf course.

Hospitals—4, with total of 255 beds.

Education—12 public schools, including 2 senior high and 1 junior high. 1 parochial school. Number of pupils in public schools, 6,329; teachers, 235.

Public Libraries—1, with 48,000 volumes.

City Statistics—Total street mileage; 105, with 68 miles paved. Miles of gas mains 48; miles of storm and sanitary sewers, 90. Number of water meters, 9,170; light meters, 12,272; gas meters, 3,972. Capacity of water works, 11,750,000; daily average pumpage, 8,000,000 gallons; miles of mains, 102; value of plant \$652,000. Fire Department has 30 men and 33 volunteer firemen with 2 stations and 9 pieces of motor equipment. Value of fire department property, \$83,000. Police Department has 59 men and 12 women, with 1 station and 6 pieces of motor equipment having two-way radio and 6 motorcycles.

Tobacco Warehouse District

Rocky Mount's Forward March

Rocky Mount was incorporated as a village in 1867 and as a city in 1907. Its growth has been phenomenal. In 1890 the town was credited with 816 people. Ten years later, in 1900 the U. S. Census gave it a population of 2,937; in 1910, 8,051; in 1920, 12,742; in 1930, 21,412; 1940, 25,568; and 1950, 27,697. The local estimate at this time is 34,000.

Located at the gateway point of one of the most prosperous sections of the state, and with a network of highways and railway connections to strengthen its geographical assets, it is recognized as eastern North Carolina's foremost jobbing and distributing center.

The Atlantic Coast Line Railroad maintains one of its largest shops here. Situated in the heart of a rich agricultural district, the city is logically a marketing center for farm products. In the season of 1957 there were sold on the Rocky Mount tobacco market, 51,411,196 pounds of bright-leaf tobacco. Rocky Mount is also a large market for cotton. Rocky Mount also is proud of its curb market. Rocky Mount is the second largest livestock market in North Carolina.

The industrial development is merged with the distribution of farm products. The City has ten tobacco factories and redrying plants, two fertilizer factories, several woodworking plants, cotton mill, silk mill, plush mill, cashmere processing plant, cordage factories, mattress factory, steel tank fabricating plants, two bakeries, meat processing plants, dairy processing plants, venetian blind manufacturers, plywood manufacturers, and feed mills. In addition to these, the Atlantic Coast Line maintains its Emerson Shops here. There are at present 8,500 industrial workers employed in the city with a payroll of more than \$15,250,000 per year. The total wage earners in the city number approximately 13,500 and receive yearly earnings of approximately \$25,000,000.

One of the Largest Bright-Leaf Tobacco Markets in the World

Rocky Mount is situated 120 miles south of Richmond, Va., 120 miles southwest of Norfolk, Va., and 120 miles northwest of Wilmington, N. C. It is on U. S. Highway No. 301, running north and south, and on U. S. Highway No. 64 running east and west. U. S. Highway No. 301 is an important link in the route from Maine to Florida and carries more coastal traffic

than any other north-south East Coast highway, and U. S. Route No. 64 is a link of an important highway running from the Atlantic to the Pacific Coast.

City Government

The Rocky Mount city government operates under an alderman-manager charter, having adopted this form of government in 1927. Chief among the characteristics of this are better administrative organization, improvements in the structure of government, and the elimination of unnecessary expense, to the end that the tax dollar may be expended economically, and that the cost of government may be reduced wherever possible without detriment to public service. The tax rate for governmental purposes during the past several years has been greatly reduced. Not only does the city have an unusually comfortable credit margin, but with \$6,000,000 worth of municipally owned and operated utilities consisting of gas plant, water plant and light plant, there is the definite assurance that the city can and will always control its tax rate, at the same time giving its citizens and industries the last word in service, for Rocky Mount's plants are of a capacity able to care for double the present population and industry. Rocky Mount's indebtedness is being reduced annually, and an adequate sinking fund is being provided in an orderly fashion, while every necessary improvement and expansion is going on.

Municipal Airport

The Municipal Airport is located just outside the city limits on U. S. Highway 301 and along the main line of the Atlantic Coast Line Railroad, and is less than ten minutes' automobile ride from the center of the city. The area of the airport is 388 acres. It has two paved runways, each 150 feet wide, with one runway 3,800 feet long and the other 4,000 feet long. The airport is constructed so that an additional runway can be paved 150 feet wide and 4,000 feet long, which will provide taking off and landing in any direction. The Municipal Airport is lighted and has a complete weather bureau, a new code beacon and a revolving beacon. It is classed as a No. 3 airport. There is an improved hangar 80 by 100 feet, and it is so con-

Rocky Mount Municipal Airport

structed that additional hangars can be provided when needed. Rocky Mount is an important stop on the Norfolk-Knoxville and Washington, D. C.-Rocky Mount routes of the Capital Airlines.

The City's High Lights

Rocky Mount has a temperate climate. The average temperature is 60.8 degrees. From a health standpoint, the city is ideal. Records show that there have been no epidemics. The water supply is pure; the milk supply has passed every test, and received commendation from every source of inspection. The city has all modern sanitary regulations, with health officers empowered to enforce them.

Rocky Mount owns its public utilities. It has a modern water plant with a filtration plant rated at 11,750,000 gallons per day, complete with pumping equipment and two elevated steel tanks (capacity 2,000,000 gallons). Rocky Mount boasts one of the most up-to-date gas plants in the entire South. National periodicals have prominently mentioned this plant as a model for any municipality contemplating the building of a gas plant. A network of piping and equipment has been worked out to insure an even and full pressure at all times and at any place served. The operating expense has been reduced to a minimum, at the same time assuring maximum working efficiency. Ably-managed and well-financed, it is considered one of the most profitable properties of the city, and year after year a neat sum is derived from this source. It represents the first municipally-owned gas plant in the state.

Rocky Mount has a \$1,000,000 power plant which is located on the banks of the historic Tar River. This plant was designed and built on the unit system providing for three times the k.w. capacity that is now being used, and in 1946 it was enlarged to give it 25 % greater capacity. In 1954 a \$600,000 bond issue was floated to enlarge the distribution system so that any projected demand for power could be met.

The modern sewage-disposal plant cost more than \$600,000. It is built not only to take care of the regular waste, but to carry any type of industrial waste, and is one of the most modern plants of its kind in the state. This plant is in the process of being enlarged to handle approximately 40 % more waste.

Rocky Mount has one high school, one junior high and five grammar schools for white pupils, and one high school and three grammar schools for colored pupils. There are 77 churches in the city.

Rocky Mount has gone beyond its duty in providing playgrounds and playground equipment for its children. It has provided handsomely for the child's amusement by operating municipally 19 parks and playgrounds, 2 municipal stadiums (one for white and one for colored), 8 asphalt tennis courts and 7 clay tennis courts, 1 lighted softball field, several neighborhood and community centers, and 2 swimming pools (one for white and one for colored). Rocky Mount is one of the few cities in the state with a municipally-owned pool for Negroes. All of these grounds are carefully looked after by a Park Superintendent.

Various amusement facilities such as merry-go-round, miniature train, boat riding, museum, zoo, miniature golf course, horseshoe pits and Dance Pavilion are available at the parks. The recreation program in Rocky Mount is a community operation with many of the civic clubs contributing generously toward the recreation facilities.

The beauty of Riverside Park attracts thousands of visitors yearly, and during the warm summer months, picnickers find it an ideal spot for their outings. It borders on the Tar River. Battle Park, which is privately owned, is located on a rocky mound from whence Rocky Mount derives its name. A Confederate monument to the Bethel heroes greets the visitor at the southern entrance, and the driveway winds along the banks of Tar River, across which is located the second cotton mill ever operated in the state of North Carolina.

MEMBER FDIC

View of the City Lake

Braswell Park is unusually well located, being nearer the central part of the city than any of the other parks or playgrounds. A wealth of playground equipment is found here. The playground is situated between Park View Hospital and the Public Library, and is a cool spot and delight to the children and nurses during the warm summer months.

The only 18-hole golf course in northeastern North Carolina is located at Rocky Mount at the Benvenue Country Club. The course is well laid out, affording the golfer enough of the uncertainties of the game to make the sport interesting and fascinating. The clubhouse is a handsome structure; costing approximately \$45,000. Memberships are obtainable by desirable persons, and the club is well supported by a membership that is representative of the best citizens. The Club is happy in the fact that it has no debts. A full-time golf professional has charge of the links and golf storerooms and lockers. Visitors are always welcome to the club. Rocky Mount is also represented in the Eastern Carolina Golf Association, some of its main officers making their homes here.

The rapid growth of the city may easily be noted by a visit to suburban Rocky Mount, where handsome homes are continually being built in developments both to the east and west of the original residential section. All recent developments have been taken into and made a part of the city and are served with all modern conveniences. Some of these developments 15 years ago were farm and wooded lands, while today they represent the zenith of modern home architecture.

Apartment houses are rapidly being built, and for the family that prefers this mode of living, these apartments are so located as to make them easily accessible to the business district and other industrial plants and enterprises.

Rocky Mount has the usual fraternal orders, namely: Masons, Knights of Pythias, Odd Fellows, Junior Order of United American Mechanics, Elks and Red Men. There are 18 civic organizations, including: Rotary Club, Kiwanis Club, Civitan Club, Lions Club, Exchange Club, Current Topics Club, Pilot Club and Business and Professional Women's Club; also Merchant's Association, Chamber of Commerce and Junior Chamber of Commerce, and other organizations.

Red Cross Chapter

The Rocky Mount Chapter of the American Red Cross is an organization

of which the people of this community are very proud.

Boy Scouts of America

Rocky Mount is a part of the Eastern Carolina Council of the Boy Scouts of America, with an active district board headed by men who are enthusiastic Scouters. There are nine troops under the leadership of well-trained scoutmasters.

Welfare and Charity

Rocky Mount has a well-organized Associated Charities board, with a full-time welfare worker and an able staff of assistants. Also providing a community service are the Community Chest and the Community Council.

Salvation Army

Rocky Mount has a well-organized corps of Salvation Army workers and this organization does very fine and constructive work throughout the city and community.

Excellent Facilities

Rocky Mount's steady growth has made it necessary for a definite policy of fire department extension. The rigid restrictions on buildings in the fire district, which comprises the entire business part of the city, has, it is believed, been directly responsible for the absence of large fires in recent years, and a big loss by fire is, so far, unknown to the city.

Rocky Mount has four splendid hospitals, all on the accredited list of the American College of Surgeons and having on their staffs surgeons of wide reputation. Specialists for practically all diseases make these hospitals their headquarters, and patients from a wide area come here for treatment. One of these hospitals has a modern training school for nurses, and its graduates are accepted by all practicing physicians and surgeons. The Division Hospital for the Atlantic Coast Line Railroad employs only registered nurses.

To prospective home-seekers and to individual citizens, Rocky Mount offers every factor that makes for happiness and ideal home conditions.

Rocky Mount Mills

MEMBER FDIC

Manufacture, Industry and Trade

For manufacturers, Rocky Mount offers many inducements, among which are the source and supply of labor. The abundance of female labor in the Rocky Mount district is an inducement to new industries. There is also adequate male labor, both white and colored. There are no labor troubles in Rocky Mount, and with the exception of the railroad strike in 1932, strikes have been practically unknown. The small percentage of foreign-born (less than 1 0/0) insures English-speaking labor for all classes.

Rocky Mount has one national bank and trust company, and one state bank and trust company, together with one industrial bank, four building and loan associations and one fire insurance company.

Rocky Mount, according to the 1954 report of "Sales Management," has over 480 retail stores, with annual sales amounting to \$58,482,000.00.

Rocky Mount is the shopping center of a wide area, embracing a radius of 50 to 70 miles. In addition to the retail stores, there are numerous wholesale houses handling groceries, fruits and produce, hardware and notions. The city enjoys the reputation of being the jobbing center of a large territory. Situated in the hub of a fast-developing section, Rocky Mount has the natural advantages that attract people in all kinds of business. It is truly the marketing and shopping center of eastern North Carolina.

The city boasts one of the best daily newspapers in the state, The Evening Telegram and the Sunday Telegram. This paper enjoys a large circulation and is a member of the Associated Press.

Radio Stations

Station WEED (with WEED-FM), an ABC affiliate in Rocky Mount, is operated sixteen hours daily by a large staff, long experienced in radio broadcasting. It is splendidly equipped throughout, and promises to become one of the South's outstanding stations. WCEC and WFMA are Rocky Mount's newer voices of the airways, with 1,000 watts non-directional, and 33,000 watts F. M., Columbia affiliate.

The Chamber of Commerce

The Rocky Mount Chamber of Commerce was organized in 1904. Its membership is made up of the business and professional men of Rocky Mount and the farmers and growers of this section, who are not only interested in the work, but enter actively into the problems and tasks confronting the Chamber. It is divided into departments—industrial, agricultural, educational, civic, commercial and publicity, and all departments function and are headed by committees of able men.

The influence of this body has been largely responsible for the many developments of the city, and in every progressive movement, the Chamber of Commerce uses its agencies for the best interests of the community.

The management of the Chamber is in the hands of a board of directors, who employ a full-time manager, assistant manager and an office secretary, and maintain offices at 157 N. E. Main St.

Typical Questions

Your City Directory
Will Answer

ABOUT AN INDIVIDUAL

How does he spell his name?
What is his middle initial?
Is he married? What is his wife's name?
Where does he live?
Does he own his home or rent?
Has he a telephone?
Who are his neighbors?
What does he do for a living?
Where does he work?
Is he the "head of the house" or a resident?
Does he own a business? Is he a member or officer?
Who else is in the same business or profession?
Is the woman single, married or a widow?

ABOUT YOUR CITY

What is the city's history?
What are the latest population figures?
What is the latest statistical and general civic information?
What are the leading industries and activities of the city?
What are the names and locations of the schools?
What are the churches and where located?
Who are the pastors of the churches?
What are the locations of the hospitals, homes and asylums?

ABOUT A LOCALITY

How is the quickest way to get there?
Who lives at a given address?
Is there a telephone at the address or nearby?
What is the character of the neighborhood?
Is it a "home-owners" section?
What is the nearest street corner?
What is the nearest store, church, school, garage, shopping center, parking lot, etc.?
Where are the public and office buildings?
If it is a business location, what business?
If an office building, what firms or professional people are in what rooms?

ABOUT A BUSINESS CONCERN

What is the nature of the business?
What is the correct name and address?
Is it a Proprietorship, Partnership or Corporation?
Who are the partners, owners, or officers?
Who else in same or similar lines?

CAUTION

Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

"r"— RESIDENT

"h"— HOUSEHOLDER

"r" AND "h"

Two important symbols are used in your City Directory. The symbol "r", before an address stands for "Resident". That person resides at that address but is not the head of the family or family head. The symbol "h" stands for "Householder"—the person in whose name the home is occupied.

Out of Sight!

Out of Mind!

Out of Business!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

PLEASE! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

Out of Sight--Out of Mind

☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

Member F. D. I. C.

EXPLANATION

Wives names are listed with husbands, the name of the wife is shown in parenthesis following the husband's as follows: Gregory Richd M (Mary L).

In case of a widow by death, wherever possible the name of the deceased husband is shown in parenthesis as follows: Gregory Mary L (wid Richd M).

The occupation and place of employment is listed as follows: Gregory Richd M (Mary L) slsmn Starr Clothing Co.

Names in heavy type denote advertisers in this City Directory.

Ownership or co-ownership of a firm is indicated by showing the individual's name in parenthesis following the firm name, as follows: Carson Grocery Co (Geo B and Paul N Carson).

A firm name enclosed by parenthesis indicates ownership or co-ownership by the individual whose name precedes, as follows: Carson Geo B (Carson Grocery Co).

The head of the house is indicated by h preceding the street address; other members of the family and roomers are indicated by r preceding the street address.

A detailed illustration of a classic glass Coca-Cola bottle. The bottle is dark and has a long neck. The label is prominent, featuring the 'Coca-Cola' script logo in white on a dark background. Below the logo, it says 'TRADE MARK' and 'REGISTERED'. At the bottom of the label, the year '1886' is visible. The bottle is shown against a plain background.

HILL'S

ROCKY MOUNT

Directory of Householders, Occupants of Office Buildings and
Other Business Places, Including a Complete
Street and Avenue Guide

1958

INCLUDING ENGLEWOOD

Copyright, 1958, by Hill Directory Co., Inc.

In the following list the numbered streets are arranged in numerical order followed by the named streets in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. In all streets both sides of the street are included in one list. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

The symbol © following a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

Telephone numbers, as supplied to us on our canvass are shown opposite names.

Figures in parenthesis denote old numbers.

Member F. D. I. C.

(The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no significance.)

(This section includes some listings reading "No Return." In each case the Publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful. First, two personal calls were made by an enumerator; next, a double postal card was mailed and the telephone used when possible.)
